

Safer Internet Day

9th February 2021

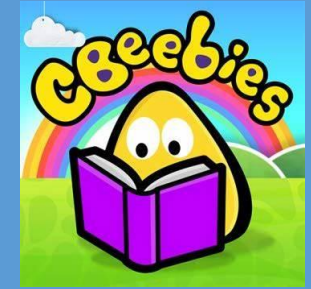

Today, we are going to learn about being Safe on the Internet.

Here is Timon and Pumbaa to tell us more about being Safe.

[Wild about Safety](#)

We go online for lots of reasons including:

- watching TV shows
- playing games
- watching online videos
- finding out things
- homework

The Internet can be lots of fun!

What is your favourite activity online?

- Only use websites you know can be trusted. If you aren't sure – ask an adult!
- Use websites that are for children as much as possible.
- Never give out your name or address!

Remember if you aren't sure about anything,
always ask a grown up.

Let's watch another E-Safety
video

- [Cartoon](#)

- Don't write unkind things about other people, or use nasty words. You can't see the person – but it will still hurt them!
- Bullying is when a person tries on purpose to hurt another one, either in what they say or what they do. It usually happens more than once.

Some people use the Internet to bully others. This is called cyberbullying.

Here is a short cartoon to tell us more about keeping safe.

[Lee and Kim](#)

What If You're Upset?

The most important thing to remember is if you see something that upsets you, tell an adult. It might be a grown up you live with or a teacher at school.

- They can help you to report the thing you saw.
- They can talk to you and make you feel OK and they can help you to find a website that is better.
